

# Does this look fuzzy to you?

## CHECK OUT THE NEW FRAMES OFFERED BY THE U.S. ARMY FRAME OF CHOICE SPECTACLE PROGRAM

**Myth--** If I have a new Eye exam I am authorized a new FOC even if it hasn't been a year.

**Truth--** You are only authorized 1 pair of FOC per year.

**Myth--** If I break or lose my FOC I can order a new one whenever I like.

**Truth--** You are only authorized a new FOC if it has been 1 year since your last pair was received. Standard Frames will be used to replace FOC.

**Myth--** I can go to another Clinic on the Island and they will order me a second FOC.

**Truth--** The FOC Program is a DOD program. All services are only authorized 1 FOC per year. All services on the Island only order from two labs which check for duplicates.

**Myth --** If I don't like the color of the frame I chose I can exchange it for a new one.

**Truth --** No, each patient is urged to try on the frame that they want before it is ordered.

**Myth --** If I am deploying, I am authorized two FOC frames.

**Truth --** Personnel deploying are authorized UVEX and 350LO, 801LO or AVLO in addition to 1 pair of FOC per year.

**Myth --** I can order my FOC as Sunglasses.

**Truth --** FOC are not authorized to be tinted.

**Myth --** Retirees are authorized FOC glasses.

**Truth --** According to DOD policy FOC glasses are not authorized for retirees.
