

TAMC Unit Mail Room No Ka Oi!

Tripler's Unit Mail Room has been recognized by the United States Army Pacific Command (USAPAC) as the best mail room for the 4th quarter of fiscal year 2006. This is the second time in row that this prestigious honor was bestowed on the mailroom employees from the Information Management Division.

The collective efforts of John Berry, Jazmin Contreras, Romeo Cordero, Irene Monroe and Milagros Myers were responsible for the excellent rating received during the quarterly inspections. Earlier this week, Kenneth Gongob, Installation Postal Officer and Felix Mendiola, USAPAC Postal Officer presented the Unit Mail Room with a certificate of recognition to commemorate the achievement.
