

Tripler Army Medical Center

Effective 15 Jan. 2010

Outpatient Lab move from 4G

(near pharmacy refill) to 2G, Room 011

- **During renovation lasting through June or later, the lab will be temporarily moved from Room 4G216 to 2G011**
- **Room 2G011 is wheelchair-accessible.**
- **Patients must take a numbered ticket to be seen on first-come, first-served basis.**
- **When renovated, the 4G outpatient lab will have a larger blood-drawing area, larger waiting area, and will improve patient privacy and patient flow through the clinic.**

Go to next pages for directions to the lab from Oceanside and Mountainside elevators
