

# *Training* JCAHO

Maj. Gen. Hawley-Bowland has directed that JCAHO training will be conducted on Feb. 16. This training will occur at the individual unit level. In preparation for this unit-level training, a "train the trainer" course will be conducted Feb. 12 9 a.m. - noon. All departments, clinics, and wards must send a unit-level leader (i.e., Head Nurse, NCOIC, OIC) to the Feb. 12th training course. Those unit-level leaders, who attended training, will be responsible for conducting three hours of JCAHO training in their area Feb. 16. JCAHO training will occur in each clinic, department and ward from 8-11 a.m. or 1-4 p.m. on Feb. 16. Please note that only individuals who attend the Feb. 12th training course may conduct the unit-level JCAHO training.

Please provide Maj. Christine Kramer with the name and duty title of the unit-level leader who will be attending the training course NLT COB Feb. 5. Please ensure that your unit-level leaders enroll for this course in TES.

Maj. Kramer can be reached at 433-4253 or at [christine.kramer@us.army.mil](mailto:christine.kramer@us.army.mil).
