

Enlisted Quarters at Ft. Shafter

These quarters are typically assigned to junior enlisted (pay grades E-1 to E-5) and are optionally available to senior enlisted. (Some senior enlisted opt for these units due to their proximity to Tripler, about a 10-20 minute commute each way to Tripler, rather than 45 minutes to an hour for Schofield). They consist of two six-story high-rise buildings. These photographs show typical units from both buildings.
