## Certificate of Award

### Military Health System Pharmacy Award

This certificate hereby recognizes

U.S. Army Health Clinic Pharmacy, Camp Zama, Japan  
for Outstanding Achievement

Your selection as one of the first recipients of the new Military Health System Pharmacy Award clearly demonstrates your command's commitment to quality customer service and patient-centered care. This award is based on the highest beneficiary satisfaction rating as determined through the annual DoD Customer Satisfaction Survey. Our most valued asset in the military culture is the individual. A critical element of pharmacy care is patient-centered communication. The U.S. Army Health Clinic, Camp Zama, Pharmacy's dedication to duty and care is a great reflection on the Military Health System and should be commended for a job well done.
